WELCOME AT OUR TABLE

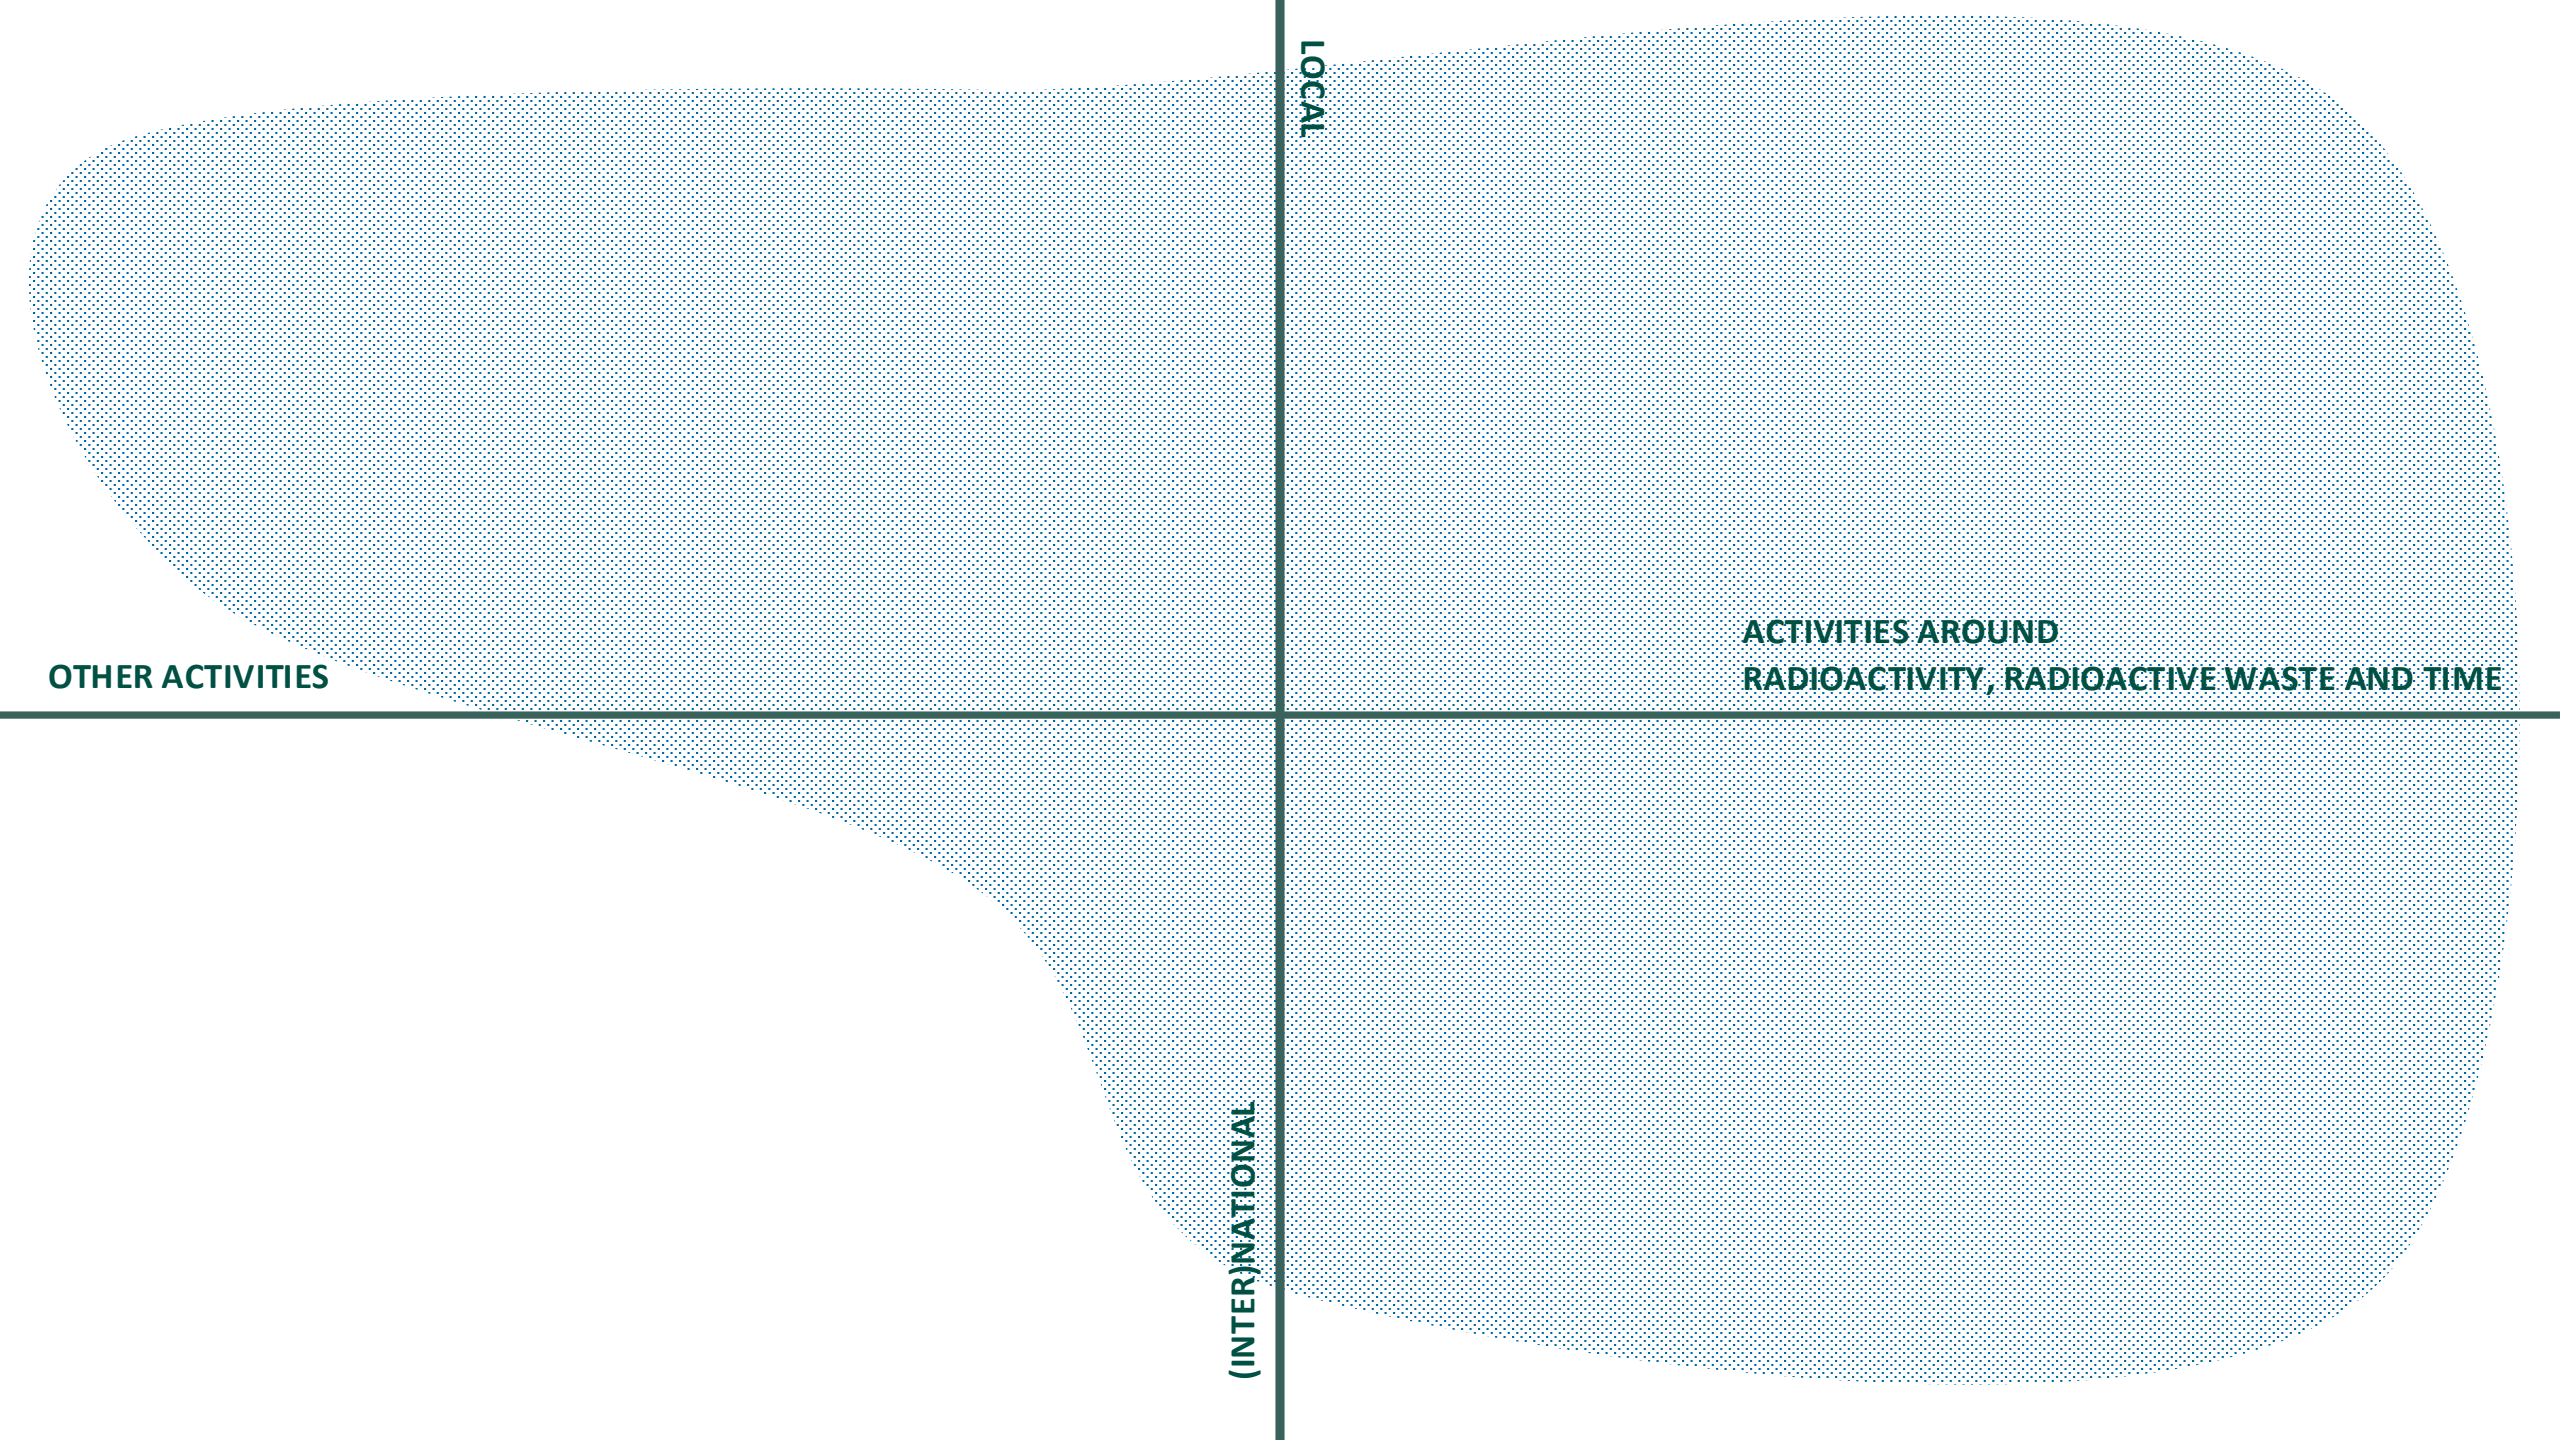

What will Tabloo be like in the future?

OUR MISSION

Tabloo is working towards a society where well-informed citizens actively contribute to the care of radioactive waste.

What will Dessel sound like in 300 years?

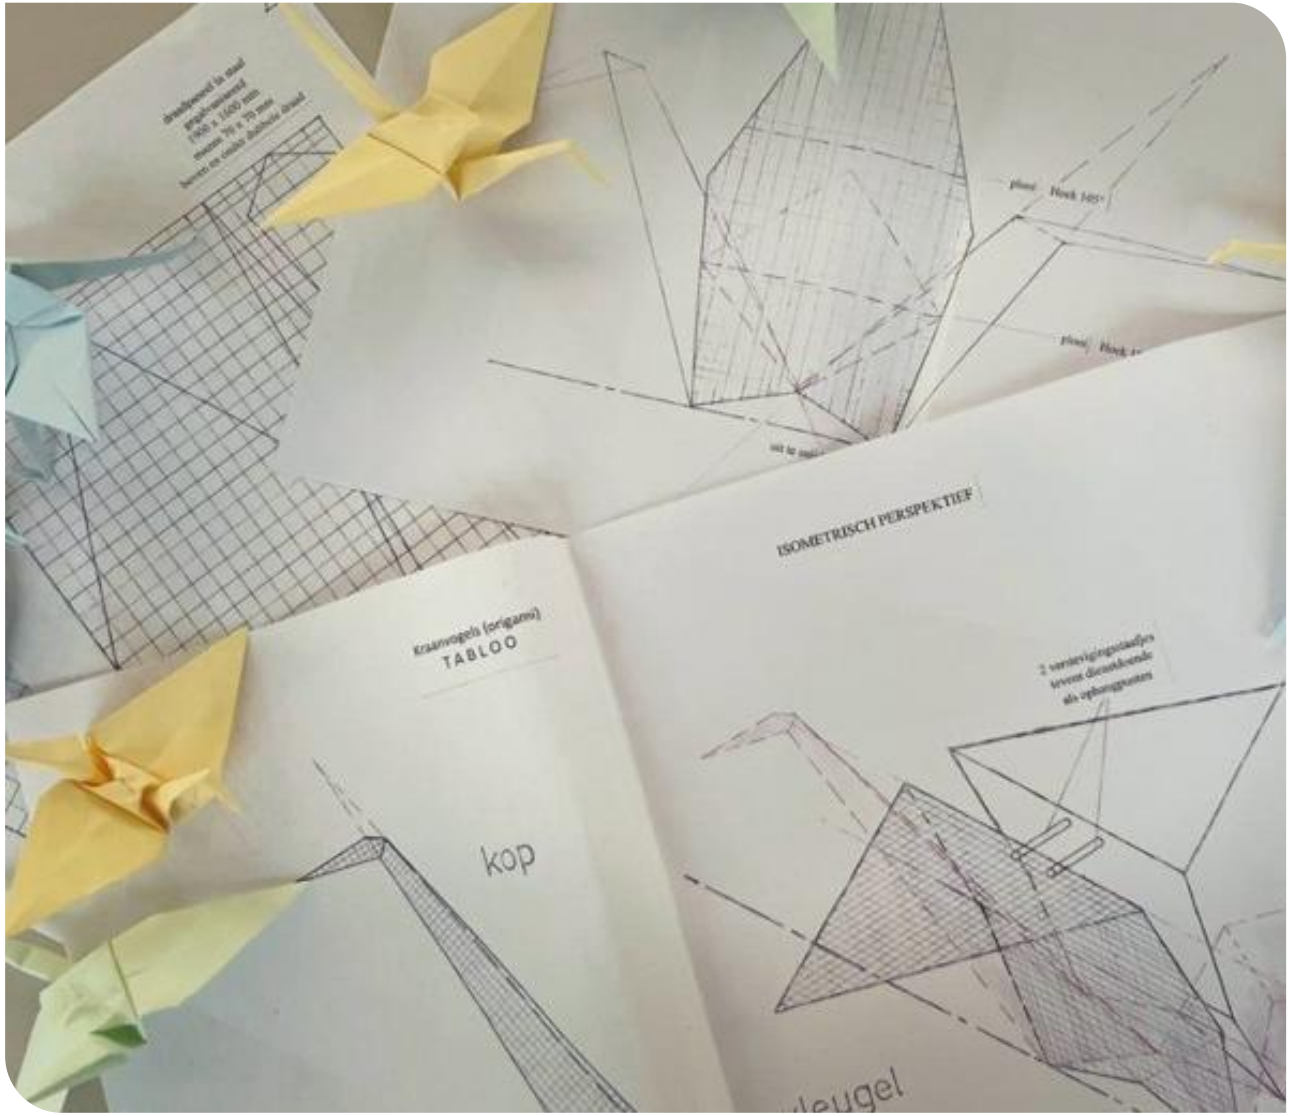

Young DJ’s create a composition with the sound of Dessel in 2324

What do you wish for someone living 100 years from now?
One thousand birds - give wings to the future

Ik wens dat er in de
toekomst wat meer geluk en
vrede zal zijn en dat de
mensen lief met elkaar omgaan
